

VALUE FOR MONEY: HOW THE UNIVERSITY OF LAW SPENDS YOUR TUITION FEE

The University of Law offers a high standard educational experience in a nurturing and supportive student led environment.

The University strives to provide value for money by continually committing to investing in and enhancing the student experience.

The University believes in transparency with regards to our income streams as well as how this income is spent to ensure an outstanding academic and support experience for all students.

The quality of the teaching staff, the course delivery, support and welfare services are key priority areas where we continue to invest money for the exclusive benefit of our students.
