

TECHNOLOGY ENHANCED LEARNING & TEACHING POLICY

SUMMARY

The Technology Enhanced Learning and Teaching (TELT) policy sets out the framework of vision and approach. The policy aims to create opportunities for students and staff to experience an enhanced and professionally-focused learning experience with appropriate use of innovation and technology. It includes evidence-based initiatives on effectiveness and enhancement of the student experience.

The TELT strategy and timeframe follows the University five-year strategy plan, 2018-2022, including continuous planned review points every year, in recognition of future changes to legal training requirements and assessment regime set out by the professional regulators.

to safeguard the academic standards of The University of Law and to assure the quality of learning opportunities offered; this policy should therefore be read in conjunction with other relevant policies within the Code.
